Total Pts						
Sets Won						

**\*\* Winner of the 17u Gold Bracket Pool is winner of the 17u Division of the tournament**

**\*\*In the event of a 3-way tie, the team with the best set % is winner of the pool, if there is still a tie, we will use point percentage to break the tie and decide the pool/division winner.**

**Set percentage: The total number of sets played in the pool (sets won divided by total sets played). The team with the highest set percentage is seeded first.**

**If the teams are still tied: Point percentage: Each team's total points scored divided by the total points scored by the team's opponents in that pool.**
