

Volleyball Factory Parking Rules/Notes

The Volleyball Factory (VF) Address is 2060 W. River Drive, Davenport, Iowa. The VF sits in the back lot. There are 2 main parking lots, the first is accessible via River Drive, you will enter the main entrance and drive left around the Devon Storage building, there are approximately 80 spots in that lot. The other larger lot is accessible via Schmidt Road, there are roughly 150 parking spots in this lot. These 2 parking areas are indicated by the 2 white shaded areas in the above picture. There is ample parking available for tournament attendees. If you are not parked in an actual marked parking spot you risk getting your car towed. If you park in front of or behind the dumpster that is located in the Red area above you will be towed. If you park in an area that is striped, indicating there is no parking, you will be towed. If you park anywhere on the West side of Devon Storage limiting the ability for Emergency vehicle's to access the back lot, your vehicle will be towed without notice, there are signs posted to not park in these areas. PLEASE DO NOT PARK IN THE FRONT STORAGE COMPANIES LOT, indicated via the red shaded area above, they have the ability to tow your vehicle as well.

We look forward to hosting your team at the Quad Cities only Volleyball first facility.
